What Did I Miss at the Last Meeting?

February 7, 2007 *Our web site seminar! Log-in today!*

February Seminar, MMPC Webmaster, Mike Collins, gave an instructive tutorial on the MMPC web site. Mike covered the web sites features, what each member can contribute, how to register and upload images onto the site. Please take a few minutes to register on our club site: www.midmichiganphotoclub.com. Enjoy browsing through our members' photographs, checking out the calendar of club events and links to our favorite photography related content!

Get Prepared for Our Upcoming Meetings!

March 7, 2007- *"Photo Critiquing"*

Our March meeting will feature "Photo Critiquing" by our Founder and Vice President, Ron St. Germain. Ron has been the recipient of 27 professional awards for published works including 4 at the highest international level. His expertise in the publishing business as well as the art show circuit will help solve your nagging problem of how to pick your best work and critique your own skills. All interested members are to bring with them three of their favorite photographs for his special brand of critiquing! Photos can range in size from 4X6 to 8X10 and can cover any type of medium. (Please note: YOU will learn the skills to choose YOUR best photograph!)

April 4, 2007- *"Winter Wonderland Competition"*

Our very first "Big Cookie Competition" is approaching quickly! The theme is "Winter Wonderland" which you may interpret in your own vision. The two winners will have their photographs displayed on our web site for all to enjoy, but most importantly the winners will receive a Big Cookie! This competition will allow you the opportunity to push yourself to do better and greater photographs. Check out the details on our club web site www.midmichiganphotoclub.com today!

What's the Big Idea?

New Q & A Format- *"Photography Quest"*

We have a new Q & A format we would like to try out if everyone wants to give it a shot. Everyone will get to participate and we think you'll have some fun and learn a lot about photography in the process. We'll also post the results from each Q & A on our web site, which should help draw more people to our site as well as to our club! We'll talk more on March 7th!

Photo Booth?- *"Meridian Artisans Market"*

There is a new Meridian Artisans Market scheduled to open on Sunday, May 13, 2007. There is an opportunity to have a photography booth from our club for those members interested in selling their photography. The Market is open from noon until 4pm on the second Sunday of each month from May through October. The Market is located in Okemos in the same pavilion that houses the Farmers' Market on Wed's and Sat's. More info will be available at the March 7th meeting.
