What Did I Miss at the Last Meeting?

"Creative Memories" Seminar by Sharon Howell

Our last meetings seminar on May 2nd presented a way for digital and film photographers to create their own "Creative Memories Story books". Sharon showed us endless possibilities to make use of all those picture disks and boxes of photographs laying around the house. Ideas like making your own coffee table book of your favorite scenic shots, a family history album, special life events, and so much more. If you would like more information on how to create your own photo book please e-mail Sharon Howell, Creative Memory Consultant at sharonldhowell@aol.com.

Upcoming Meeting Details! June 6, 2007

Big Cookie Competition "New Life" It's here!

Our second "Big Cookie Competition" theme is "New Life" which includes photographs of blossoming trees, budding flowers, newborn animals, babies, new beginnings, and anything else that is part of new life! Bring in your photograph and have some fun and maybe enjoy a BIG COOKIE!

Our Last Big Cookie Competition featured theme was "Winter Wonderland". Brian Koch took was our People's choice winner and our Judge's choice winner. Our second People's Choice place winner was Gene Tatroe with a photograph titled "Winter Tree". The two winners have their photographs displayed on our web site www.midmichiganphotoclub.com for all to enjoy.

Teach Us Something New: "Photography Quest"

Don't forget to contact your team mates and teach us something new about photography! Team questions are posted on our web site for those who need refreshing. Remember only one team member needs to present at the June 6th meeting. Happy quest!

Support our Club!

It's On!- "Meridian Artisans Market"

Our next Meridian Artisans Market is scheduled for Sunday, June 10th, noon-4PM. Each month we will feature three MMPC Photographers to sell their personal photographs. Our booth will serve as a communication tool for getting the word out about our Mid Michigan Photography Club as well as an opportunity for MMPC members to get a chance to sell their art work to the public. E-mail your friends, co-workers, family to come and visit this art-full market! For more information about the Artisan Market, check out our web site: www.midmichiganphotoclub.com.

Fun Fund raising: "Raffle"

Here is a fun way to raise money for our club and hopefully put a few extra bucks into your pocket. We are starting a 50/50 raffle during our monthly meetings. Ticket cost are \$1 each or 6 tickets for \$5.

Thank You!

A special thank you goes to Tammy Vandermulen, Raquel Whipp, John Diephouse, Janice Myers, Penny Verran, Dale Sees and Mike Collins for taking the time out of their busy Mother's Day weekend to volunteer at the Wildflower Weekend at the Woldumar Nature Center. Your efforts keep our meeting room costs low at the Woldumar Center. THANK YOU!!!
